Professional Summary

Data Science-focused Software Engineering undergraduate (CGPA 3.55/4.00) experienced in building ETL pipelines, predictive models, REST APIs, Dockerized machine learning applications, and BI dashboards. IBM-certified in Data Analytics, Data Science, Machine Learning, and Deep Learning, plus Generative AI, prompt engineering, and AI agent workflows. Proficient in Python, SQL, Scikit-learn, PyTorch, TensorFlow, XGBoost, and SHAP. Processed 50,000+ records, deployed three models to production, and contributed to AI-driven environmental analytics research.

Technical Skills

Programming & Engineering: Python, SQL, Flask, REST API, Docker, Git/GitHub, Model Deployment, ETL Pipeline Design

Data Science & Analysis: Pandas, NumPy, Data Analysis, Statistical Analysis, EDA, Feature Engineering, Data Preprocessing, Data Cleaning, Data Visualization, Excel, Power BI, Tableau, Matplotlib, Seaborn, Plotly

Machine Learning: Scikit-learn, XGBoost, CatBoost, Random Forest, Logistic Regression, Decision Tree, KNN, Ensemble Methods

Deep Learning & AI: PyTorch, TensorFlow, Keras, Neural Networks, CNN, RNN, LSTM, MLP, Transfer Learning, NLP, Generative AI, LLMs, Prompt Engineering, AI Agents

Model Evaluation & XAI: SHAP, Explainable AI, Cross-Validation, Hyperparameter Tuning, Confusion Matrix, Precision-Recall, F1-Score, ROC-AUC, MSE, R-squared

Databases & Tools: PostgreSQL, MySQL, Supabase, Google Cloud, Jupyter Notebook

Work Experience

Data Science Intern | *Codio AI Solution* *May 2026 - Present*

- Build Python-based ETL pipelines for multi-source ingestion; develop predictive models and BI dashboards tracking KPIs for product and business decisions.
- Apply feature selection, statistical analysis, and Scikit-learn evaluation to surface patterns in production datasets.

Data Science Intern | *SaiKet Systems* *Apr 2026 - May 2026*

- Processed 50,000+ records with Python, Pandas, and NumPy, cutting preprocessing time 40%; built missing-data imputation, outlier detection, and data-quality workflows.
- Deployed three machine learning models via REST API and Docker, raising reporting accuracy 30%; evaluated with precision-recall, F1-score, and ROC-AUC.

Video Editor & Content Creator | *GoEdu* *Feb 2025 - Feb 2026*

- Produced 50+ educational videos reaching 10,000+ learners; applied engagement analytics to raise viewership 25%.

Data Entry Operator | *Golden Harvest InfoTech Limited* *Jan 2022 - Dec 2022*

- Managed 100,000+ records at 99.8% accuracy; redesigned validation checklists, cutting processing time 20%.

Research Experience

AI-Based Predictive Modeling of Individual Carbon Footprints *Manuscript in Preparation*

- Designed and evaluated Random Forest, XGBoost, and an MLP neural network regressor using cross-validation, MSE, and R-squared.
- Applied SHAP-based Explainable AI to identify influential environmental and lifestyle predictors; manuscript ongoing for journal submission.

Projects

- **Finzy - AI-Powered Personal Finance Dashboard [GitHub]**
  Stack: Python, Next.js, PostgreSQL, Supabase, Google Gemini AI, Docker, REST API
  Full-stack finance platform: AI-driven expense categorization, receipt OCR, real-time analytics, budget tracking; Dockerized PostgreSQL/Supabase backend.

- **Heart Failure Prediction [GitHub]**
  Stack: Python, Scikit-learn, Pandas, Matplotlib, Seaborn
  EDA on 12 clinical features; Logistic Regression reached 84% accuracy, evaluated with a confusion matrix, precision-recall, and F1-score.
- **Student Performance Prediction [GitHub]**
  Stack: Python, CatBoost, Scikit-learn, Flask, Docker
  End-to-end CatBoost pipeline served through a Flask REST API with Dockerized real-time inference.
- **Movie Recommendation System [GitHub]**
  Stack: Python, Flask, Scikit-learn, Pandas, NumPy, TMDB API
  Hybrid recommendation engine combining TF-IDF content-based and collaborative filtering; deployed as a full-stack app with TMDB API integration.

Education

B.Sc. in Software Engineering, Major in Data Science *Expected Dec 2026*
Daffodil International University | CGPA: 3.55 / 4.00
Relevant Coursework: Machine Learning, Data Mining, Statistical Analysis, Database Systems, Algorithm Design, Software Engineering

Higher Secondary Certificate (HSC), Science *Jul 2019 - Dec 2021*
Daffodil International College | GPA: 4.33 / 5.00

Secondary School Certificate (SSC), Science *Jan 2017 - Feb 2019*
Agargaon Adarsha High School | GPA: 3.89 / 5.00

Certifications

Professional Certificates - IBM / Coursera

- **IBM Machine Learning Professional Certificate** - Jul 2026 *(ID: 34TJ036HZQMA)*
- **IBM Deep Learning with PyTorch, Keras and TensorFlow** - May 2026 *(ID: ADJH1ZK9SSUK)*
- **IBM Data Analyst Professional Certificate** - Mar 2026 *(ID: Z9B4IMTTBUZ6)*
- **IBM Data Science Professional Certificate** - Mar 2026 *(ID: OOKWP56I7MGP)*

Programming, AI & Data Tools

- **Complete 2026 Python Bootcamp: Learn Python from Scratch** - Udemy, Mar 2026
- **Grameenphone Academy**, Jun 2026 - GenAI & Prompt Engineering; AI Workflows and Agents; Zero-Code App at Vibe Coding; AI+Superpresentations
- **10 Minute School** - **Microsoft Excel** *(ID: 67863ee3542fd)* and **PowerPoint** *(ID: 67766165a0740)*, Jan 2025; **Microsoft Word** *(ID: 63f48949a08d0)*, Feb 2023
- **GoEdu**, Apr 2025 (with distinction) - Google Sheets: Formulas and Functions; Video Editing with Camtasia
- **Perpetual IT World** - Data Entry and Freelancing (3-month course), May 2022

Awards, Leadership & Activities

- **CDC Career Ambassador 2025** - Certificate of Achievement, Daffodil International University.
- **GoEdu Campus Ambassador**, Feb - Jul 2025 - Certificate of Appreciation, campus outreach.
- **UIU CSE FEST 2025 Project Show** - Represented DIU as Team Castle Victorious.
- **National Robotics Championship 2025** - National-level competitor, BUBT Sports Complex, Feb 2025.
- **DIU Job Utsob 2024 & 2025** - Volunteer on the organizing, logistics, and transport teams for the annual career fair at Daffodil International University.

Languages & Communication

IELTS Academic: Overall Band **7.0** (Listening 7.5 | Reading 7.0 | Writing 7.0 | Speaking 6.5)

English Training: Spoken English & Phonetics (80%), Foundation Grammar & Writing (72%) - Mentors, 2022; Spoken English (24 hrs) - National Institute of Science & Technology, 2022
